

Name Link on AISD Web Site

The Andrews Independent School District web site includes pages for the various campuses and departments in this school district. I understand the web pages for my area(s) will be on the Internet and available for viewing by the public. My name will be listed as an employee of this district.

I may choose for AISD to link my name to my school district e-mail address, so that I may receive e-mail from those wishing to contact me at school. I also understand and agree that the district is not responsible for any mail sent to my school e-mail address. Personal phone numbers and addresses will not be included on this web site.
